U. S. Government

Gentlemen:

Reference: I.N. 1027.

STAT ☐ has received the Government furnished air cooling unit to be used with the test of the Stereocomparator equipment.

In order for the unit to be properly used it will be necessary to locate the equipment adjacent to the Clean Room containing the Stereocomparator, provide the necessary conduit and power connections for operating the compressors, provide water connection and the cooling tower with pumps to be used for recirculation of the cool water for the unit, and provide the necessary connections from the air conditioner to the Stereocomparator.

STAT
STAT
STAT This work can be accomplished for a firm fixed price of ☐ This offer will remain firm for ninety (90) days.

If ☐ technical or management people can provide you with any further information please do not hesitate to contact the undersigned.

STAT
Very truly yours,

☐
